

Some of the indicators presented in the Community Health Profiles, the Health Database and the Health Atlas use data available at the level of Local Health Areas (LHAs) as they were defined during the 2019 updates to these tools. More recently, the Ministry of Health released new local geographies called Community Health Areas (CHSA) and, in that process, some of the LHAs have been given new names as follows:

Discontinued LHA Name	Current LHA Number	Current LHA Name
Armstrong-Spallumcheen	135	Armstrong/Spallumcheen
Cariboo-Chilcotin	146	Cariboo/Chilcotin
Maple Ridge	223	Maple Ridge/Pitt Meadows
Coquitlam	224	Tri-Cities
Vancouver – Downtown Eastside	322	Vancouver – Centre North
Vancouver – North East	323	Vancouver – Northeast
Sooke	412	Western Communities
Saanich	413	Saanich Peninsula
Gulf Island	414	Southern Gulf Islands
Cowichan	421	Cowichan Valley South
Lake Cowichan	422	Cowichan Valley West
Ladysmith	423	Cowichan Valley North
Nanaimo	424	Greater Nanaimo
Qualicum	425	Oceanside
Alberni	426	Alberni/Clayoquot
Courtenay	431	Comox Valley
Campbell River	432	Greater Campbell River
Queen Charlotte	510	Haida Gwaii
